About This Content

Take a step back in time with the classical grandstand design and vibrant cityscape of historic El Viejo Stadium. This DLC gets you El Viejo Stadium, an additional ballpark for Super Mega Baseball 2.

Title: Super Mega Baseball 2 - El Viejo Stadium

Genre: Casual, Indie, Simulation, Sports

Developer:

Metalhead Software Inc.

Publisher:

Metalhead Software Inc.

Release Date: 18 Dec, 2018

b4d347fde0

English

A really nice stadium. I love all the various details and the unique nature of the infield

For someone like me, with this many hours into this great game it's a solid purchase, but I do think Red Rock is better if you only want to get the 1 DLC stadium
